About FREEDIA Entertainment:-

Established in 2009 as an entertainment production company from Houston Texas, FREEDIA has established and distinguished itself among the industry as preeminent producers of creative productions and events and is growing to be the leading source of all forms of entertainment. Promoting a diverse culture through diverse entertainment activities. FREDDIE'S objective is for values, qualities and ethical standards in the entertainment products. To produce strong genres of variety and theatrical talents and international performing phenomena. We want to deliver innovative performance and ground-breaking type of entertainment. Freedia entertainment is established in movie productions and India, US distribution of Malayalam movies. We are producers of several national stage shows across the USA, Canada, and the UK.

Freedia is now creating an opportunity to market your products and services in front of US Indian audience. Freedia just expanded our service portfolio into the following segments.

Healthcare

Jewelry

Apparels

Footwear

Real Estate

Tourism
